**ORDERED,**

That the State Controller increase allotment in account 020-06A-0250-13, Air Quality Control Programs, for funds received from American Recovery and Reinvestment Act, by \$44,301 in the Personal Services line category and by \$1,465,108 in the All Other line category. These funds will be used for the Maine State Clean Diesel Program.

Be it further ordered,  
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2010", for which this shall be our sufficient warrant.

**Statement of Fact**

This Financial Order will allot funds to allow the Department of Environmental Protection to fulfill the ARRA grant award for the Maine State Clean Diesel Grant Program obligations as approved by the Environmental Protection Agency. The purpose of this grant is to reduce diesel emissions from the dirtiest legacy fleets which maximizes public health benefits by employing the most cost effective strategies.

The Department is promoting the first statewide Clean Marine Engine Program in the region which will reimburse commercial fishermen 50% of the cost and installation of EPA Tier II certified and compliant engines. The Maine Clean Diesel Program will also retrofit approximately eight refuse trucks, ten repowered diesel transit buses, repower a stacker, retrofit a crane and other port projects which include shore power at the pier and maintenance yards. This grant will also fund the early replacement of a conventional diesel school bus, and the installation of direct fuel-fired heaters for approximately twenty-five buses and related administrative costs for increased workload for current staff.
